

Plant seeds

Why not try growing cress on some cotton wool. Place the cotton wool in a hollow egg. Sprinkle over the seeds and sprinkle them with water keep moist in a light warm place and watch them grow.

- What do I need?
- 2 eggs
 - 2 tsp cress seed
 - 2 x balls of cotton wool
 - Felt tip pens

Go on a walk and look for baby animals

As the sun is beginning to come out, why not explore your local green areas? Look out for ducklings, frog spawn, maybe even some lambs.

Egg boxes

Egg boxes can be used to make all sorts of egg-citing Easter crafts. Cut out 4 egg holes from a box and paint the inside to make a pretty easter flower or create your own chicken to put your egg into. What egg-cellent ideas have you got for your egg boxes?

Make a den

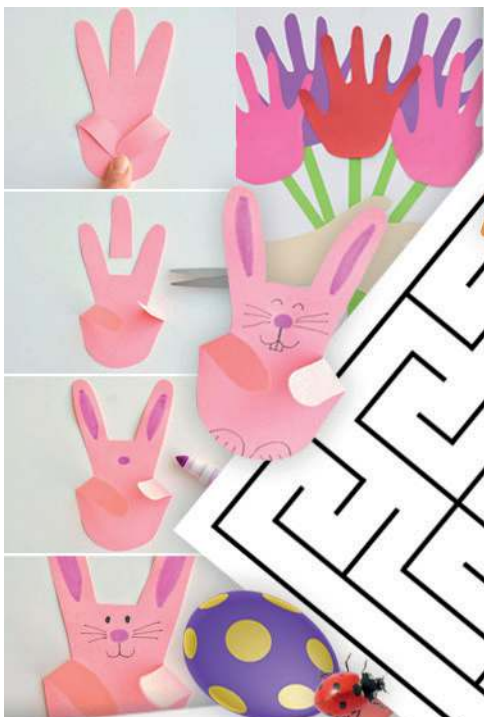

Build a den in the house, garden or even in the park. Use whatever you can find around the house, sheets, blankets cushions and teddies. A den is a great place to share a book with your family.

Cute toilet roll animals

Create these homemade toilet paper roll animals from paper, glue, markers, etc. They are a great project to do with the kids!

Hat craft from paper plates

All you need to make a party hat for any occasion is a paper plate and a pair of scissors!

This craft is easy-to-make and adaptable for holidays all year round.

Coloured cooked spaghetti messy play

Just cook up some spaghetti, drain and rinse and separate into ziplock bags. Add food colouring and a few drops of water to each bag. Once all of the spaghetti is covered in food colouring put each colour into your colander and rinse the spaghetti under the tap. This step is really important, if you miss it out your child will end up covered in food dye!

Shaving foam messy play

A simple messy play idea is to get a large tray and squirt shaving foam on to in allow your child to play with it for some sensory fun. You could add some food colouring to brighten it up.

Cereal sand messy play

If you have any old cereal sitting in the back of the cupboard why not whizz it up on a blender and a tiny drop of food colouring to create different coloured edible sand. It it on a tray and allow your child to find different ways to make marks in it.

Teddy bears picnic

Pick your favourite bears pack up your lunch and head out for a picnic. Maybe someone could hide a bear and you could even go on a bear hunt.

Easy hands art

Draw around hands and cut them out to decorate, you can make bunnies, flowers and butterfly pictures as well as lots of other things out of your hand prints. They are also a nice keep sake to give to family members as your child grows.

HOME START

Easter treasure basket

Create an Easter themed treasure basket, collect different items and household objects place into a box or basket and let your child play with them. Please make sure there is nothing too small in the treasure basket that your child could choke on.

Tubes and Easter eggs

This is the easiest Easter egg activity ever! You only need 2 things - cardboard tubes and Plastic Easter eggs (or some screwed up balls of paper/tin foil) plus 1 excited kid! Build, knock them down, repeat!
